WASHINGTON NOTES.

Long List of Nominations-The Army Appropriation Bill-Electoral Yotes 4ll In.

Meeting of the International Santiary Conference—Text of Springer's New Washinoton, January 5.-The senate Washington, January 5.—The senate committee on appropriations to-day authorized Senator Eaton to report back the consular and diplomatic appropriation, bill with a few amendments, one of which provides that the charge daffairs at Bucharest, Roumania, shall also be consul-general; others reclassify some of the consulates, and Belfast, Ireland, is raised from the fourth to the third grade. The reessury will not give gold for them: the banks cannot take them through the clearing house; and the people who hold them are compelled to await a demand from importers in order toget them back into the treasury where they belong. The passage of the bill authorising this is successed to the first per cent. to the land grant railroads, in accordance with a recent decision of the surpressed to the surpressed by the bill is \$26,315,800.

The passage of the bill authorising this is successed to the surpressed by the bill is \$26,315,800.

The passage of the bill authorising this is raised from the fourth to the third grade. The house adjourned until to-morrow. In the senate the sixty-fourth ballot for speaker resulted: Smith, 9; Alexander, 5; Bell, 4; Morgan, Bibb, Perkins and Gaston, Smith, 9; Ragland, 6; Alexander, 7; Bell and Duggan, i each.

London, January 5.—Two more regiments of infantry laye been sent to the Transval from India.

Smith, 9; Ragland, 6; Alexander, 7; Bell and Duggan, i each.

The Pencessury for them free of cost for transportation.

The New York Public takes a cheerful.

The tonal amount now appropriations bill for the purpose of paying fits a greed to add \$125,000 to the 4-may appropriation. The house adjourned until to-morrow. In the lead, The tenth ballot stood: Wilson, 24; Simms, 30; Winstead, 15; scattering, 3.

The Denois adjourned until to-morrow. In the lead, The tenth ballot to prove the sent to the land grant railroads, in the sent the sent ty-fourth ballot for provention were authorising this is raised from the found the dearing appropriation. The house adjourned until to-morrow. In the sent the sent the sent ty-fourth ballot for provention were authorising this is raised from the floating and provention where they be cannot all the lead. The tenth ballot the form in the sent the dearing and interesting and the people attended to found the floating and interesting

gers. Duplicate certificates have now been received both by mail and by messengers from each of the States of the Union.

The international sanitary conference metat the state department to-day, and was called to order by Secretary Evarts, who made the address of welcome. John Hay, assistant secretary of state, was chosen pre-siding officer, and Dr. Thomas J. Turner, of siding officer, and 197. Thomas J. Turner, of the navy, who is also secretary of the Na-tional Board of Health, was made secretary. In view of the absence of certain specialists now on their way as delegates, and a lack of specific instructions on the part of several delegates present from their governments, it was concluded to adjourn to meet Wednes-

The senate confirmed Matthew R. Barr, collector of customs, Erie, Pennsylvania; William A. Stone, United States district attorney for the western district of Pennsylva-nia; William A. Stillwell [N. Y.], associate justice of the supreme court of Arizona; John Hall, United States marshal for the western district of Pennsylvania; Washington F. Piddrick [Pa.], secretary to the French-American claims commission. United

Mr. Trescott, one of the United States nestly all the meetings at which the tra-versers spoke were sanctioned, or presided over, by the Catholic clergy. Parnell, Dillon and Sullivan were not present in the court to-day, having, contrary to the general ex-pectation, gone to attend the opening of par-liament. esteem and in recognition of his able and until quite a late bour. At the weekly meeting of the Land League Mr. Springer's reapportionment biil provesterday, Davitt said that it was understood vides that whenever a new State is admitted that several more meetings would be pro-claimed this week, and he counseled all the it shall be in addition to the number 293

confirm the reports of the exportation of arms to Ireland. Large orders have been and are now being executed. There has been also a brisk demand for revolvers. One of two districts, in one of which districts there the principal gunmakers states that more reshall be elected three representatives; and in volvers have been sent to Ireland from Birthe other there shall be elected mingham the past two months than during the preceding two years.

Postmaster-General Fawcett, speaking at one district in which five representatives Manchester yesterday, said there was no reason to assume beforehand that the house of lords would reject the Irish land bill. The house of lords rejected the compensation-for-three representatives. The States entitled to paratively small majority by which it passed three districts, in two of which districts there ber of deputies showed an animated resistthe house of commons showed that it was languidly supported by the public.

The war officers commanding volunteers in London and the provinces advising them to take preofficers commanding volunteers in London and the provinces advising them to take precautions against attacks on their armories.

Bottles of petroleum have been found in the Carriers and Huskisson docks, Liverpool. These, taken in connection with the late incendiary fires in that town, excite alarm.

The London Times recapitulates the measures which will be amounced in the queen's a peech to marrow, and says there will be an Irish land bill which will neither involve a rash expenditure of public money or justify an outery against spoliation on the part of the landlords. There will be a scheme of the landlords in the elected according to the decomments in the negotiations for a treaty of commerce with the United States.

CUBA.

HAVANA, January 5.—El Triumfo comments unfavorably on the King's speech at the opening of the Spanish cortes, and says: "Reforms in Cuba must remain subject to five; and where there is a fraction of orative to the district in which one representative shall be elected. Congressional districts in which one representative abolition of slavery, and want immediate sional districts in which one representative in congress shall be elected shall contain a abolition, nucenditionally, and without the period of the service, and also an population equal to the ratio of popular amendment of the bankruptey law. Besides tion of one members in congress. Districts these first-class bills there will be others for entitled to three members shall contain a

to his employer. The Charges Rather Diaphanous New York, January 5.— Engells and Becker, recently arrested at the instance of the Italian vice-consul, charged with the

perpetration of extensive forgeries on ers in Italy, were to-day discharged by United-States-Commissioner Osborne. VINCENNES, IND., January 5.—The community was startled by learning this morning that John M. Polk, an old respectable citizen had shot himself in the head, a few miles from Bruceville, this morning with

stock-dealer, but was financially embarrassed OMAHA, anuary 5.—As the result of the equest held to-day over the bodies of the six laborers killed in the cut at Middle creek, yesterday, by the St. Paul train, the jury and a verdict attaching the whole responsi-ity for the accident to Edward Carnes foreman of the gang, for failing to displa the usual signals of warning.

NEW HAVEN, January 5.-Charles opening of the machine; a few drops fell on the floor and it blazed up before I hardly knew it; J then ran securities, confessed to-day that he perperan securities, confessed to-day that he perpe achine trated the deed, and implicated August A away; the can held two gallons, the machine held about half a gallon; the candle was sit-ling on the floor about six feet away; Har-a dry goods merchant. Bodenschatz was ar

out and scare me; Lenahan went away be-fore the accident; he simply brought us some material to work with; I do not know who brought the gasoline to the house; I think it ro. These letters she pronounces base, mali-cious forgeries, evedently gotten up to play their part in the case. When she spoke of the published letters to the reporter yester-day she had not read them. The letters sent to Giro, she now says, were in a different vein, not so gushing, though impredent enough for her to write. When in New York she hastily glanced at the headings of some commonsense side to her statement, viz; that her mother, brother and Miss Meloy all knew that she was not away from home even a few minutes on Christmas day 1879, and could New York, January 5.—The marriage of Governor-Elect Porter, of Indiana, to Miss Meloy referred to, who is a sister of Mr. Stone, sister of General R. Stone, and the W. A. Meloy, a well-known member of the Washington bar, publishes the following card in the Star this evening:

EDITOR STAR—I have been with Mrs. Christiancy or months past, and saw all letters written by her o Mr. Giro, from the first; none of those published rere written by her. She wrote to him, but those are not the letters. They are totally unlike those written. Very respectfully. Lille E. MELOY. An Inexplicable Suicide Columbus, O., January 5.—Otto Dressel shot himself at his office about moor. A revolver of a large caliber was used. The ball passed through the right eye, and probably preduced instant death. Parties who heard the shooting supposed that Mr. Dressel was shooting rats, but the clerk in the adjoining office for some reason supposed exactly. office for some reason supposed something was wrong, produced assistance, and forcing the door in found Mr. Dressel dead upon the floor. It is intimated that Dressel has lately

met with a financial loss, and that induced him to commit this deed. Dressel leaves a CHICAGO, January 5 .- General Terry telegraphs from St. Paul, January 5th, to mili-egraphs from St. Paul, January 5th, to mili-tary headquarters the following 500m Major liges, at Camp Poplar River, January 3d: "Moved the hostiles to-day to my camp and nave them under guard. There are by actual count 195 of them, and 100 more to wife and several interesting children, one or ing an officer of the navy, now absent on may the hostiles to-day to my camp and nave them under guard. There are by actual count 195 of them, and 100 more to pome over from Yankton camp to-morrow, a proceeded against them this morning and was met by the Yankton chiefs, who requested that I should not visit their camp, and promised to the proceeding to the proceeding to the proceeding to the results of the proceeding to the results of the proceeding to the process of the proceeding the process of mense sensation, as he was wealthy, happily married and universally respected.— A later dispatch says: "It is generally understood that the suicide of Otto Dressel to-day was caused by recent heavy financial losses, which affected his mind. Mr. Dressel left a and destroyed forty-two of their guns, which were worthless. Will get more to-morletter in his office, stating that he was with-out money or friends, which, inasmuch as he was universally popular and is supposed to have considerable property left, demonstrates that he was insane when committing the pow. There are about 500 houses, iteliable news just received is that flitting hall with over 1900 lodges is at the crossing at Milk river, fifty-two miles from here. The train from Boogh, on the Bed Wajer, will probably

"Do you know," remarked a prominent gentleman to us a few days ago, "Dr. Bull's Cough Syrup is really a good thing. My daughter would have me use it for a bad We would call the especial attention of the sough, and it did ours me."
